

## PENNANT NOMINATION FORM

---

Division 1 (Blue Pennant) is a competition initiated by Bowls Australia and Bowls Queensland, which begins at District level and progresses to the State and National finals.

The competition is devised that the winning club from the NQ District plays off against TFNQLBA for the Zone 8 title; with the winner competing at the State final.

NQDLBA has always fully supported this concept, as it gives players in our region the rare opportunity to play at a much higher level of competition. NQDLBA is also committed to Bowls Queensland to ensure the survival of the Division 1 Pennant competition.

NQDLBA expects all winners of Blue Pennant to play at every level of the competition.

**Clubs who are not able to commit** to playing at Zone or State finals are requested to nominate for Red Pennant.
